

10 REASONS TO CHOOSE CORONADO K-8 SCHOOL

1 Coronado K-8 teachers are highly qualified and certified, and support staff are trained for their roles.

2 Students have access to resources that make a difference, including a library with more than 30,000 titles.

3 Coronado K-8 is a Highly-Performing school according to the Arizona Department of Education.

4 Nearly all (96%) of Coronado's teachers are experienced educators, with three years or more in the classroom.

5 Coronado K-8 students perform at or above state averages in Language Arts, Math and Science.

6 Young learners are welcome in preschool programs and in free all-day kindergarten.

7 The school brings its students and families together with activities including AVID and literacy nights, a Veterans Day Assembly and Kind Campus events.

8 Coronado K-8 students can try sports including cross-country, track, basketball, soccer, wrestling, football, baseball, softball and volleyball.

9 At Coronado K-8, a full-time nurse, a full-time librarian and a full-time psychologist help support students, and the school takes a positive approach (PBIS) to promoting good behavior.

10 Principal JJ Letts brings more than 30 years as an accomplished educator and leader to the Coronado K-8 community.
