MEMORANDUM

TO: Amphitheater District Student-Athletes

SUBJECT: Brainbook Requirement – Concussion Education

DATE: June 1, 2012

At the March 2, 2012 Legislative Council meeting the Arizona Interscholastic Association formally approved Bylaw 14.13 that pertains to concussion education. This rule states: **“All student athletes shall complete the Brainbook online concussion education course. Student athletes participating in fall sports of the 2011-12 school year shall complete the course no later than 10/1/11. All other student athletes shall complete the course prior to participation in practice or competition.”**

In order to comply with this requirement, all students must complete the Brainbook online course prior to being cleared for Interscholastic Activities. You are only required to complete Brainbook once during your high school career.

Brainbook is a free online course that can be accessed through the AIA Academy or by using this link: <http://aiaacademy.org/users/login/brainbook>. We encourage not only the students of our District to complete the course, but also their parent/guardians. Once at the site, parent/guardians may use the Non-Student Course link.

Upon completion of the Brainbook course, students will print a completion certificate. Please bring/include a copy of the student’s completion certificate with your other clearance paperwork.

Please contact your site’s Athletic Department if you have trouble completing Brainbook or if you have other questions that may arise.
