Get Ready for Open Enrollment & Biometric Screenings

Open Enrollment

Open Enrollment (OE) for SY 2022-2023 occurs May 2, 2022, to May 13, 2022. REMINDER: ALL Benefits Eligible Employees must go through Open Enrollment whether you enroll in our coverage or waive insurance. Elections during OE are effective 7/1/2022.

The OE portal opens on May 2nd. To access the OE portal, go to Employee Self Service: <https://visions.amphi.com/ess/>. Once the portal opens, employees will be able to make Open Enrollment selections by hovering over the Benefits tab and selecting "HR Benefits Enrollment."

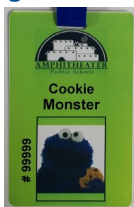

Biometric Screening

Biometric Screenings are returning in May! There is no cost for Amphi employees on our ASBAIT/Meritain insurance plan. Please see link below for registration information. A few things to note, whether or not you've participated in the past, you will need to register/create a new account this year. If you are using your district email to register, check your junk folder for the "registration confirmation email." You have the ability to pick the date, time, and location that works well for you. Please remember it's an eight hour fast so plan accordingly. [Registration information](#)

Badges and summer heat

Please don't leave your Amphi employee badge in the car. Excessive heat ruins the electronic chip inside the badge. As a badge reminder, the Benefits Team makes employee badges. If your school needs a daily (generic) sub badge, please reach out to the lock shop for non-employee badges.

Employee Assistance Program (EAP)

As the school year winds down, we thank you for all of your efforts to make a difference. Please remember, all staff members are eligible for confidential referrals for counseling (grief, relationships, depression, etc.), legal, and work-life services by calling our EAP program.
