7			IB TOK ⁵ 11	IB TOK ⁵ 12

The recommended prerequisite courses for admission to the IB Diploma Programme shown here are only a guide. Students who have taken courses other than these are encouraged to speak with the IB Coordinator or their counselor about whether or not those courses meet the prerequisite expectations for IB courses and/or graduation requirements.

¹ Pre-DP students who have taken ASL or not taken a foreign language in 9th grade must take the sequence Spanish I in 10th grade followed by IB ab initio.

² Completion of the two-year IB History course fulfills the graduation requirement for World History and US/AZ History.

³ Prerequisites for IB courses include: **IB Chemistry:** adv. algebra II and enrollment in pre-calc or intro to calc. **IB Lit & Performance:** Placement through audition; **IB Computer Science SL:** a minimum of AP Computer Science Principles or instructor approval; **IB Dance SL:** Placement into Advanced Dance through audition (this course is only available to DP students)

⁴ All IB Elective SL courses and Mathematics SL are one-year courses. All other IB courses are two-years in duration. DP students must take the elective course choice as a junior. Individual course students may take IB elective courses either junior or senior year. *IB Mathematics and IB Dance are only available to students in the Diploma Programme.*

⁵ Students in the Diploma Programme are required to participate in the IB Core: Theory of Knowledge (TOK) class 2 days a week, the Extended Essay (EE), and Creativity, Activity, and Service (CAS).
