REASONS TO CHOOSE RIO VISTA ELEMENTARY

1

Rio Vista teachers are highly qualified and certified, and support staff are fully trained.

2

Rio Vista has an internationally recognized robotics program and won an award for 'Best Use of STEAM Learning in the Classroom' in the WORLD!

3

The school was rated Highly-Performing by the Arizona Department of Education in 2023.

4

The school welcomes young learners in preschool and free all-day kindergarten.

5

Rio Vista is an AVID school. That means that students learn at an early age how to gain skills to be ready for the future -- college and career.

6

Children have access to resources that make a difference: STEM lab, robotics lab, library with more than 30,000 titles and access to technology.

7

Students participate in art, music, physical education and library classes weekly.

8

Rio Vista has laptops for every child and an Artist in Residence for each grade.

9

Clubs and activities include Odyssey of the Mind, MESA, robotics, gardening, football, cheer, band, orchestra, dance and more.

10

Principal Mamie Spillane brings more than 25 years to the Amphitheater District as an accomplished educator and leader.
