

10

REASONS TO CHOOSE WALKER ELEMENTARY

1

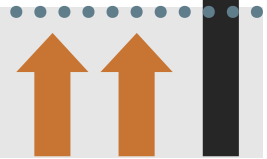

Walker teachers are highly qualified and certified, and support staff are trained for their positions.

2

The school was rated Highly-Performing by the Arizona Department of Education in 2023.

3

Walker students out perform peers across the state in Language Arts and Math.

4

Students have access to a huge library, expansive outdoor play spaces and technology resources.

5

Teachers at Walker are trained to identify students' skill levels and deliver instruction that helps each child develop and reach their individual goals.

6

Young learners are welcome in preschool and in free all-day kindergarten.

7

The school offers activities for a variety of interests including art, music, science, reading, fitness and more.

8

Walker is known for being a top school for STEM (Science, Technology, Engineering and Math).

9

Walker is an AVID school. That means that students learn at an early age how to gain skills to be ready for the future -- college and career.

10

Principal Leighann Reynolds brings more than 10 years as an accomplished educator and leader to the Walker community.
