Mission and Vision

Mission

Lulu Walker Elementary is committed to educational excellence and the empowerment of students to achieve their highest potential academically, socially, and emotionally. At Walker Elementary, we prepare all students to become lifelong learners and productive citizens.

Vision

Lulu Walker's culture exhibits a shared sense of pride through a safe, caring environment and respect for diversity. Walker's exemplary learning community promotes a wide range of support and enrichment opportunities, which foster an array of experiences to discover and build individual strengths.

Our instruction and high expectations stimulate intellectual curiosity, reflect best practice, and elevate student engagement and achievement. We strive to guide our students in accepting responsibility and to be actively engaged in their learning, decisions, and actions. We recognize and accommodate individual differences, interests, and abilities through a variety of assessments, curriculum, and technology. We honor and support the emotional well-being of each member of our community.

ATTENDANCE POLICY

Walker's teachers and staff are focused on your child's education. To achieve the goals we share with you for your child, we need your support to have your child here ***every single day***. Every minute of instructional time that students miss is a lost opportunity for learning.

School hours are **7:30 A.M. – 2:00 P.M.** each day. It is absolutely vital that students arrive at school on time. Our teachers hit the ground running at the beginning of the day, and when students are late, they miss essential learning. Arriving late to school can throw a student's whole day off, and they miss out on morning activities that help them feel like a part of the Walker family. Students are allowed to enter the school grounds as early as 7:10 A.M. to go to their assigned classroom.

DAILY SCHEDULE

7:25 A.M.	First Bell
7:30 A.M.	Late bell
2:00 P.M.	Dismissal M,T,Th,F
12:00 P.M.	Dismissal Wednesday

Arizona law requires that a parent or legal guardian ensure that their child is not absent excessively from school while it is in session. Absences may be considered excessive when the number of absent days exceeds ten percent of the possible days.

If your child will be absent from school, please contact the office at 696-6571 to report your child's absent. If leaving a message, please be sure to include your child's first and last name, teacher, date of absence(s), and reason. Please support your child by ensuring that any absences and tardiness are unavoidable and when they do occur contact is made with the office.

TARDIES

School begins at 7:30 A.M. each day. We have a full schedule and it is important that students are at school on time in order to take full advantage of their day. Your child misses essential learning with each tardy.

Remember, students who are tardy past 7:35 A.M. must be signed in at the office by a parent or legal guardian. Repeated late arrival may result in loss of privileges, parent conference, or a truancy notice.

LEAVING BEFORE THE END OF THE SCHOOL DAY

Students who need to leave school for an appointment must be checked out through the office. Students will not be allowed to leave with adults who have not been authorized by legal guardians.

We encourage parents to schedule all appointments after school; if that is not possible, parents must pick students up before 1:30 P.M. This plan is in place for the safety of all students: teachers and staff have all hands on deck preparing for dismissal, and teachers are not in a position to alter a student's plan for getting home. A parent conference will be scheduled for any student who is repeatedly picked up early.

ACADEMICS

GRADES

Students will receive report cards at the end of each grading period, on the following dates:

October 4th – 7th, 2022 (During Parent Teacher Conferences)

January 6th, 2023

March 24th, 2023

May 18th, 2023

Ask your child for the report card, and call us if they say they did not receive one!

The academic grades will reflect the academic progress for that period.

HOMEWORK

Homework is an extension of what has been taught in class. Students will have homework every night, Monday through Thursday.

Students may be assigned long-term activities such as outside reading or projects. These assignments help students learn to budget their time and to take advantage of learning opportunities outside of the classroom.

Work with your child to schedule time and space each day to complete homework assignments and check to see that homework is done each day. Help your child to organize his/her materials so that they can get to school each day with all the things they need (including homework) for a

successful day, and check his/her backpack for messages or work the teacher may have sent.

HONOR ROLL

Walker Elementary strives to recognize the hard work and academic achievements of our students, and our Honor Roll is one of these recognitions. Students in the **4th and 5th grades** who have met the criteria for Walker Honor Roll and Principal Honor Roll will receive a certificate at the end of each quarter.

The following are the criteria for receiving the designation of Honor Roll:

Walker Honor Roll: All A's and B's for the quarter

Principal Honor Roll: All A's for the quarter

**** Students must receive a satisfactory grade in conduct (O or S).**

GRADE PROMOTION POLICY

Walker Elementary abides by the Amphitheater Public Schools and State promotion policies. Walker considers each student's academic performance on an individual basis to determine if the student is ready for work at the next level. The following may affect a student's promotion to the next grade:

- Attendance
- Classroom grades
- Benchmark test performance (MAP, DRA, AMIRA)
- Performance on AASA assessments (3rd grade)

FIELD TRIPS

Field trips are scheduled during the school year to support classroom activities.

For any field trip, permission slips will be sent home by the teacher to be signed and returned. No student will be allowed to go on a trip without written permission on the appropriate Field Trip Form. A Medical Emergency Treatment form must be on file with the nurse for any student with medical needs.

Some field trips are considered extracurricular activities; therefore, they are optional. Students who choose not to participate will receive instruction at school.

In order to be eligible for field trips, students must be in good academic standing, have no excessive absences (as defined by the Code of Conduct), and should have good conduct. Exclusion from a field trip may be used as a consequence for specific acts of misconduct, and parents will be notified of this decision.

Amphitheater Public Schools Student Code of Conduct still applies for field trips, as field trips are still part of the instructional day. A high standard of conduct is expected of students who participate in field trip activities. If students misbehave on field trips, consequences will be assigned per District policy.

STUDENT GROUP GUIDELINES

At Walker Elementary we want our students to not only develop as scholars, but as leaders. Students may develop their leadership skills through our student groups, including the Girls on the Run, Fitness Funatics, Art Studio, Student Council, Odyssey of the Mind team, band, orchestra, and choir.

PARENT PARTICIPATION

Parent Visitor and Volunteers

At this time we are limiting visitors to the campus before and after school for prearranged meetings only.

VOLUNTEERING

Parents and outside organizations will be allowed to volunteer in classrooms during the school day. However, parents must prearrange to volunteer in their child's class with the teacher. The classroom teacher will then notify the front office that the parent will be coming in to volunteer on a specific date. Parents who wish to volunteer on campus to assist with lunch, recess supervision, or assist with dismissal can contact me for more information.

Additional volunteering opportunities will be arranged by the school administration to support academic activities. These include, but are not limited to, the recess monitors, cafeteria monitors, Parent Assisting Comprehension program and Progress Monitors.

The Parent-Teacher Organization (PTO) is the core parent organization that drives fundraising and parent events, and they invite you to become an active member. The yearly membership drive begins in August. Through participation in the PTO's activities, parents assist in providing additional teaching aids and materials for our school. There also is great value and satisfaction in the friendships fostered through participation in school endeavors. PTO meetings will be announced and posted on the school calendar.

CONFERENCES

Parent/Teacher conferences are a valuable tool to be used in helping children achieve academic success and remain motivated at school. Be sure to take advantage of this tool! Because it is so important, please follow these guidelines to ensure that you have the best possible conference with your child's teacher.

To arrange for a conference:

1. Make an appointment– call the teacher on their classroom phone, write a note to the teacher, or email the teacher to arrange an appointment time (Teacher emails can be found on our website, and teachers will respond within 24 hours).
2. Conferences can be arranged with teachers after the school day. Please contact your child's teacher for the soonest time they are available to meet.
3. Stay "tuned in" to your child so you know when to request a conference.
4. Review all test papers, Progress Reports, and communications from the teacher that signal trouble areas.
5. **Please do not drop in for just a minute at the beginning, middle or end of the day.**

These are crucial times when the teacher and students need each other's' full attention.

6. Teachers will not be called out of class for a conference. Instructional time belongs to the students, but teachers may meet during planning time or outside school hours.

HELPING PARENTS RESOLVE PROBLEMS AT SCHOOL

Lulu Walker Elementary School prides itself in welcoming parent participation and involvement. Our teachers and principal communicate often to keep parents informed of school events and procedures. Since our primary concern is the well-being and education of our students, the Walker Elementary staff is committed to open, honest communication with parents.

Despite our very best efforts, questions and concerns do arise. When parents have a question concerning a classroom situation, their first contact should be with the classroom teacher, since the teacher is likely the closest to the question or concern and is most able to resolve it quickly and effectively. We expect all school employees to respond to non-emergency inquiries within 24 hours. To ensure the success of our students, we recommend that the following five steps be followed when a question or concern arises:

1. A student should go to the teacher first with their questions, concerns, or comments unless it is a building-wide or system-wide concern.
2. Parents should go to the teacher with their questions, concerns, or comments.
3. The teacher will follow up with the parent on the resolution of questions, concerns, or comments.
4. If questions or concerns continue, the parent may choose to contact the principal. The principal may be able to resolve the issue or offer to set up a meeting with the concerned parties.
5. The teacher, parent, and principal will follow up on resolution of questions or concerns.

STUDENT TRANSPORTATION

Walker students use a variety of methods of transportation to come to and leave from school, and it is essential that you put a consistent plan in place for your child. Establish a routine that your child understands and can follow. If you must alter the pattern due to an appointment or other plans, be sure your child knows the changes before leaving home in the morning, and call or send a note to the main office. Our teachers will be aware of how your child typically gets home in the afternoon.

Any changes in the usual routine must be discussed with your child. **The school must be notified even if the person picking up your child is on the emergency contact list.**

BUSES

Amphitheater Public Schools provides buses for students who live over two miles from the school to which they are zoned. Each bus rider should catch the bus and be delivered to the bus stop closest to home. To ensure your children's safety, students may not ride on another bus route without a prior approved change in route. **All kindergarten students that ride the bus must be met by a parent or guardian at their stop.** If no one is there to meet a kindergarten student, they will be returned to the school.

Students will be required to wear a bus tag provided by the district in order to ride the bus to and from school.

It is important that we work closely with our children to teach the importance of good bus conduct. The rules and procedures are reprinted here for reference. Please read and discuss them with your child.

BUS RULES AND PROCEDURES

1. **Bus riders should** be at their assigned stop ten minutes before the bus is scheduled to arrive. (Parents/Guardians should supervise students until they have loaded bus. For

safety reasons, no child should be left unsupervised at a bus stop).

2. Students should respect the property of others.
3. Students should board and exit the bus in a quiet and orderly manner (no pushing, shoving, shouting, or other disruptions).
4. Students must stay seated with their seatbelts on, until the bus driver dismisses them.
5. If a bus is late in the afternoon, students will remain in the dismissal area where supervision is provided until the bus arrives.
6. Students are to treat drivers with respect and courtesy.
7. No fighting, horseplay, throwing of items, or obscene language will be allowed on buses, at the bus stops, or walking to and from the bus stop.
8. Students **must** stay seated when the bus is in motion.
9. Students must not shout out the windows or throw objects.

When a violation of these rules is reported, school administrators will issue a consequence in accordance with Amphitheater Public Schools Board Policy and the Student Code of Conduct. **Misbehavior on the bus or at the bus stop may result in suspension from the bus. Repeated misbehavior can result in exclusion from riding the bus.** Parents will be responsible for transporting their children to school and home should they be suspended or excluded from riding the bus.

Each bus rider must be responsible for his/her own behavior at the bus stop, in bus lines, on the bus, and traveling to and from the bus stop. Misbehavior and rowdiness jeopardizes the safety of all riders and cannot be tolerated.

BUS ELIGIBILITY

Parents and guardians can determine their child's bus number, stop and pick-up/drop-off times at [Transportation Services / Bus Stop Finder \(amphi.com\)](http://amphi.com). All routes and eligible zones are established by the Amphitheater Public Schools Transportation Department. Drivers **must** run the route and pick up at the locations determined by Routing and Scheduling—please do not ask drivers to make changes in the route.

BUS LANE

The bus lane is a “**NO PARKING**” and “**NO DROP OFF**” zone for passenger cars.

Car Drop-Off

Students should not be dropped off at school before 7:10am. Teachers and staff are not able to supervise students until this time. All students that are dropped off by their parents should be dropped off on the west side of the school, where they are picked up in the afternoon. This gate will be opened at 7:15am and will be monitored by Walker staff members. Please do not drop student off in the front of the school as this is where buses and cars pass through and is extremely dangerous.

Car Pick-Up

Walker has a dismissal system that places student safety first!

All car pick-up students wait in grade level lines in cafeteria (grades K and 1) or in the MPR (grades 2 – 5). Students will be called to wait at one of five different colored areas, based on where their pick-up car is in line. To make this process as fast as possible, please display the sign in your front window that has your students name, teacher, and grade on it. This will be given to you by your child's teacher at the beginning of the year.

Parent/Guardians should not park in the parking lot and wait for their children to walk to them—this is extremely dangerous. **Do not park along Roller Coaster Rd. to wait for your student. This is not Walker property. The Pima County Sheriff can ticket cars parked along Roller Coaster Rd. This is also extremely dangerous.** Drivers may not move cones that are placed to direct traffic, because this creates additional traffic and slows the process. Please follow any signs that are posted, and please be courteous to staff and to other drivers—we are all part of the Walker family.

For the safety of all children and adults at dismissal, please adhere to the following guidelines:

- Please refrain from using your cell phone in the car pick-up line.
- Remain in your car at all times when using the car pick-up line.
- Do not ask your child to cross in the middle of the street. Students must be picked up in the car pick-up line.
- **Use your car pick-up sign by placing the sign in the front window on the passenger side.**
- Do not park your car in the pick-up line to wait in the school building for your child.

Students who walk or are dropped off should not arrive at school before 7:15am, as no one is on duty to supervise them and ensure their safety. Similarly, parents/guardians must pick up students at 2:00pm unless students are participating in an after school program. Teachers and staff are not available to supervise them.

Please be sure that your child knows how to get home each day. Any changes in the usual routine must be discussed with your child and **the front office and teacher should be notified.**

DAY CARE VANS

Students that travel to after school care programs at local day cares on a day care bus or van will wait in the car line with their classmates. The daycare vehicles will move through the car line with parents so that they can pick up students on the west side of the building.

STUDENTS THAT WALK HOME

Students who walk to and from school should obey the following rules:

- Cross streets only at the designated cross walks at the east end of the school.
- Follow the route planned by parents.
- Meet friends or siblings outside the building, not at the classroom.
- Go straight to your own home.

- Have a plan for rainy days (parents should inform teachers and office staff of the rainy day plan and keep emergency numbers current)

EMERGENCY PROCEDURES

It is imperative that all information on each child's enrollment card be complete and kept current. If phone numbers (home, work, emergency or doctor) change, please notify the school office immediately. In the event of an emergency we must be able to reach a parent/guardian. Directory information is considered part of the public record. If parents do not wish to have such information released, they must submit such a request to the principal in writing. Be sure that you have a plan for picking your child up during the day should he/she become ill at school.

Students should not be picked up from school early except in emergency situations or for appointments that cannot be scheduled at other times. Every minute of learning counts.

Students will not be called out of class to talk on the phone. In emergency cases, messages will be relayed to students. Your child's instructional time is too important.

Photo IDs will be checked for verification any time a student is picked up. Persons that are not on the enrollment form will not be permitted to pick a child up without notification from a parent or guardian.

MEDICAL INFORMATION

For the safety and protection of all students, medication (either prescription or over the counter) may not be brought and kept by students to be taken during the school day. This includes cough drops, sunscreen, insect repellent, and inhalers. **Never send your child with medication on their person to take during the day.**

The school health assistant may dispense medication during the school day if the parent brings a bottle with a prescription and completes the appropriate paperwork. Even for over the counter medications, parents must have a prescription label. The label must clearly show the child's name, type of medication, and dosage. Please request the medical form from the health office if your child will need medication during the day.

Students must be free of fever and/or vomiting for 24 hours before they may return to school.

Certain communicable diseases require special handling or restrictions in the school setting. The Amphitheater School District policy regarding communicable disease control measures can be found online.

STUDENT DISCIPLINE

At Walker, we follow the Amphitheater Student Code of Conduct, which is available on the school website at <https://www.amphi.com/site/Default.aspx?PageID=5355> . A hard copy of the handbook will be distributed to all students at the beginning of the year or when a new family registers during the school year. In accordance with district guidelines and policies, we have implemented a school wide set of expectations and consequences for academics and behavior.

Our core values of being **Respectful, Responsible, Safe, and Kind** drive our school rules. The Walker Behavior Management Plan is based on the recognition that behavior can be modified, controlled, and improved through instruction and positive reinforcement.

Walker elementary has implemented a Positive Behavior Intervention and Supports system as its school wide behavior plan. A Positive Behavior Intervention and Support (PBIS) system focuses on prevention of behavior issues, rather than consequences. PBIS calls on school staff to teach positive behavior strategies, just like we would teach reading or math. PBIS recognizes that students can only meet behavior expectations if they know what the expectations are. Common language is used throughout the school campus when talking about appropriate behavior. Our PBIS system at Walker Elementary School focuses on teaching students to be **Respectful, Responsible, Safe, and Kind**.

In order for our PBIS system to be successful, it is imperative that expected behaviors are explicitly taught to students at the beginning of the year and are continuously retaught as the year progresses. These expectations for behavior are taught to students by their classroom teachers, through videos during announcements, and through grade level and school wide assemblies. To support this, Walker Elementary school has created a school wide behavior matrix that lists for students, the positive behaviors they are expected to demonstrate in all areas of the campus. This includes the hallways, cafeteria, bathrooms, playground, buses, and classrooms.

Once the students have been taught the positive behavior expectations, they will be held accountable to demonstrating these behaviors. Rather than focusing on consequences for not meeting the expectations, the PBIS system instead focuses on rewarding students for demonstrating the appropriate behavior. Students can and will be verbally recognized by any adult on campus for demonstrating the appropriate behavior. They will receive a token for this and the adult will commend them for the specific behavior and for being **Respectful, Responsible, Safe, or Kind**. The tokens that are earned by a students can be collected to earn a recognition as an individual student, to earn a whole class reward, and ultimately to earn a school wide celebration.
