

Innovation Academy

Game Club

Do you like games, challenges and collaboration?

Come join us in the library every Friday 8:15-8:55 for a variety of fun games (rubik's cubes/chess/boardgames). Suggested Donation \$5/family (will go towards buying games). We will play a variety of games each week and you can also learn to solve the rubiks cube.

By signing below students and agree to persevere through challenges, be **respectful** of all members, attend weekly meetings, and keep a growth mindset. Students must also be sure to help clean up games and get to class on time.

***Parents MUST remain with students until teacher pick up, do not drop your child off unattended before then please. (Late comers must wait for gates to open at 8:30)
