

Choose at least \_\_\_\_\_ activities to complete each week. Check the box in the lower right corner of each calendar square as your child completes the activity. Turn in the calendar and the response journal on the last school day of January.

# January

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Write three New Year's resolutions. Begin each one with <i>I will . . .</i></p> <div></div> <div></div>	<p>Design an outfit that would keep you warm on a cold winter's day.</p>  <div></div>	<p>Draw a snowy scene. Spread glue on the snow and sprinkle on salt.</p> <div></div>	<p>Cut snowflakes out of scrap paper.</p>  <div></div>	<p>List as many things you can think of that are always white.</p> <div></div>
<p>Name one thing that you will try to do better this year.</p> <div></div>	<p>Write some things you could do to keep from catching a cold.</p> <div></div>	<p>Ask family members if you can count the change in their pockets or purse.</p> <div></div>	<p>Martin Luther King, Jr., had a dream for his country. What was it?</p> <div></div>	<p>Write a fortune you might find inside a fortune cookie.</p>  <div></div>
<p>If you could be an animal, what would you be? Explain why.</p> <div></div>	<p>Guess how many steps it takes to go from the kitchen to the bathroom. Check your guess.</p> <div></div>	<p>Draw a personalized license plate that you might like when you learn to drive.</p>  <div></div>	<p>Figure out how many days will pass until the next month arrives.</p> <div></div>	<p>Find a comfortable chair and read a book.</p> <div></div>
<p>Make up a math word problem based on a fairy tale.</p>  <div></div>	<p>Make up as many math problems as you can with the answer 12.</p> <div></div>	<p>Measure the smile of everyone in your family.</p> <div></div>	<p>Design a new label for a food can. Bring your design to school.</p> <div></div>	<p>Do something nice for someone without being asked.</p> <div></div>
<p>Collect 100 of something. Bring your collection to school.</p> <div></div>	<p>Read all sides of a cereal box. Write three things you learned.</p> <div></div>	<p>Spread out a blanket and have a picnic in your living room.</p> <div></div>	<p>Put your hands on your hips. Bend forward, to the right, backward, and to the left.</p> <div></div>	<p>Put an ice cube in a dish. How long does it take to melt?</p>  <div></div>
